Hi Tiffany,

I just wanted to make sure this has been forwarded to Sarah – I know you usually do this but I hadn't seen an e-mail to this effect, so I just wanted to check.

Subject: Approval Memo for the Swinomish Tribal Journey Water Quality Project QAPP Addendum

Hi Lisa,

Attached is the approval memo for the above-referenced QAPP addendum. There are two minor corrections that need to be addressed:

1. On the Title of Plan and Approval page (Section A.1), change Ginna Grepo-Grove's title to **EPA Regional Quality Assurance Manager**.
2. Update the date listed on the title page and in the page heading throughout the QAPP addendum.

Please send me a copy of the final approved signature page when it has been completed. Let me know if you have any questions.

Thanks,
